Terms & Conditions

We have made several adjustments to our operations to comply with current government restrictions and ensure the health, comfort and safety of our visitors and staff protocols.

- For now, our operations run for 1.5 hour (90 minutes) each session to give us time to clean the playground and make sure every game tool has been sterilized and/or cleaned for the next session.
- The ticket price is only valid for 1 child and 1 companion. All children must be accompanied by an adult to enter.
- Please make sure your children and companions are in good health before entering the playground. Our staff reserves the right to deny or revoke access to anyone who does not appear to be in good health.
- Visitors agree not to hold Miniapolis owners, management and staff liable for any injury or casualty that may occur on the playground. Use of all Miniapolis attractions is at the visitor's own risk.
- If there are visitors or staff in the game area who are indicated positive for Covid 19 as evidenced by the results of the PCR swab, the playground area will be closed for 3 (three) days and sterilized.
- Consumers hereby declare that every purchase of Miniapolis tickets means complying with all applicable regulations and agreeing to the existing terms and conditions.
- For any personal data that Consumers provide and or upload on the Miniapolis playground link will be kept confidential. Consumers also agree that the personal data and/or information provided can only be used by
